

## **Brick Order Instructions**

**Print the order form from the order form button.**

**Select the size brick you want to purchase by placing a check mark beside the brick size.**

**Complete the desired engraving text blocks following the available space and lines indicated under each block size. The text blocks are the squares immediately under the brick sizes.**

**You can add a business logo to the 13 x 19 brick for an additional cost of \$40.00. The total cost would be \$565.75**

**You can add an animal silhouette to the 4 x 8 brick with two lines or less, the 13 x 6 brick or the 13 x 19 brick for an additional cost of \$10.00. Add \$10.00 to the cost of the desired brick.**

**Write the number of the silhouette you want engraved on your brick under the \$ line on the order form. Currently available silhouettes and sample brick layouts can be found by clicking the samples button.**

**If adding a logo to the large brick, be sure to attach your logo to the order form.**

**Complete the order form and mail it with your check to the address at the bottom of the form.**
